

I must request that you not allow Low Power FM (LPFM) to take priority over FM translators. My community is served by a national radio station called KLOVE. They provide a service to me and my community and I do not want to lose them. We do not want this station taken away and replaced by another that does not espouse the same values as KLOVE. KLOVE provides positive, commercial free music that is safe for even the youngest of children. Most radio today is filled with people talking on and on, or saying disgusting things that should not be discussed on the airwaves. Do not let LPFM take priority over my station. Thank you.
